The Japanese Patent Office issued an Office Action dated April 22, 2009 against the priority Japanese application. A copy of this Office Action is submitted herewith.

The Japanese Office Action cited four references. Cited references JP60-22-574, JP02-006208, and JP2002-037966 were previously submitted in an Information Disclosure Statement dated April 3, 2007. Cited reference JP11-026326 was first cited in the Japanese Office Action and, hence, was not submitted in the April 3, 2007 Information Disclosure Statement. A copy of JP11-026326 is submitted herewith along with a machine-generated English-language translation.

Pursuant to 37 C.F.R. § 1.97(c)(1), no fee is due for the submission of this Information Disclosure Statement because JP11-026326 was cited in a communication from a foreign patent office in a corresponding foreign application no more than three months prior to the filing of this Information Disclosure Statement. Nonetheless, the Commissioner for Patents is hereby authorized to charge any additional fees which may be required to Deposit Account No. 23-0650. Please refund any overpayment to Deposit Account No. 23-0650.

Respectfully submitted,
